**ORDER DENYING MOTIONS TO  
EXTEND TIME**

These are closed federal civil rights actions. They were dismissed because plaintiff failed to respond to the order to show cause, even though he was granted plenty of time within which to file a response. He now moves to extend time to file a response, motions which the Court construes as containing requests to reopen the actions. All these motions are DENIED. The Clerk shall terminate all pending motions in the above-listed actions.

**IT IS SO ORDERED.**
